

A. Biographical Information

JAMES D. RALSTON

Kaiser Permanente Washington Health Research
 Institute, Kaiser Foundation Health Plan of Washington*
 1730 Minor Avenue, Suite 1600
 Seattle, Washington 98101-1448
 Phone - (206) 287-2076
 FAX – (206) 287-2871
 Email – ralston.j@ghc.org

B. Education

Stanford University, Stanford, CA	B.A.	Classics	1988
University of Washington, Seattle, WA	M.D.	Medicine	1994
University of Washington, Seattle, WA	M.P.H.	Health Services	2002

C. Licensure

Physician and Surgeon, Washington State, expires 7/2019

Board Certification

American Board of Internal Medicine, 1997-2007: recertified 2007-2017, 2017 to 2027

D. Residency and Fellowship

Intern	Internal Medicine	Virginia Mason Medical Center	7/94-07/95
Resident	Internal Medicine	Virginia Mason Medical Center	7/95-07/97
Chief Resident	Internal Medicine	Virginia Mason Medical Center	7/97-07/98
Fellow	NRSA Program in Primary Care Research	U of Washington	7/00-09/03

Faculty Appointments

Senior Scientific Investigator, Kaiser Permanente Washington Health Research Institute, Kaiser Foundation Health Plan of Washington*	2015 – present
Affiliate Professor, Health Services University of Washington School of Public Health	2018 – present
Affiliate Professor, Biomedical and Health Informatics University of Washington School of Medicine	2018 – present
Affiliate Associate Professor, Health Services University of Washington School of Public Health	2013 – 2018
Affiliate Associate Professor, Biomedical and Health Informatics University of Washington School of Medicine	2013 – 2018
Affiliate Assistant Professor, Health Services University of Washington School of Public Health	2005 – 2012
Affiliate Assistant Professor, Biomedical and Health Informatics University of Washington School of Medicine	2011 – 2013
Associate Scientific Investigator, Group Health Research Institute	2010 – 2015
Assistant Scientific Investigator, Group Health Research Institute	2003 – 2009

Clinical Positions

Internal Medicine, Washington Permanente Medical Group*	2003 – present
Hospitalist, Virginia Mason Medical Center	2000 – 2003
Internist, private practice locum tenens	1998 – 1999

**Kaiser Permanente acquired Group Health in February 2017, at which point Group Health Research Institute became Kaiser Permanente Washington Health Research Institute.*

E. Honors, Awards, Scholarships

Faculty Mentoring Award, Group Health Research Institute	2016
John Q. Sherman Award for Excellence in Engaging Patients	2014

James D. Ralston, M.D., M.P.H.

Top Doctor, Washington Magazine	2011
National Research Service Award and Fellowship	2001 – 2003
Chief Medical Resident, Virginia Mason Medical Center	1997 – 1998

F. Other Professional Activities

Professional Organizations

Society for General Internal Medicine (associate member)	2001 – present
American College of Physicians (member)	1994 – present
American Medical Informatics Association (member)	2003 – present

Grant Review

Member, Health Care Research and Training Study Section, Agency for Healthcare Research and Quality: October 2010-2014.

Ad Hoc Grant Review

1. Biomedical Informatics, Library and Data Sciences (BILDS) Review Committee, National Library of Medicine, June 2018
2. Health Care Research and Training Study Section, Agency for Healthcare Research and Quality: March 2009, July 2009, October 2009, March 2010.
3. Institute of Translational Health Sciences, Pilot Grant Review, University of Washington, December 2009, March 2010.
4. Ambulatory Safety and Quality Program: Improving Management of Individuals with Complex Healthcare Needs through Health IT, Agency for Healthcare Quality and Research, June 2008.
5. Ambulatory Safety and Quality Program: Improving Quality through Clinician Use of Health IT, Agency for Healthcare Quality and Research, June 2007.
6. Diabetes UK, Care and Treatment of diabetes and its complications, 2006
7. Cancer Research Network, Pilot Fund Proposals, 2004.

Ad Hoc Manuscript Review

1. Annals of Family Medicine (2010 – 2016)
2. Journal of the American Medical Informatics Association (2011-2016)
3. Health Affairs (2010)
4. Journal of Biomedical Informatics (2010)
5. International Journal of Medical Informatics (2010)
6. Health Services Research (2009)
7. BMC Medical Informatics and Decision Making (2009, 2010, 2011)
8. Journal of General Internal Medicine (2004 – 2018)
9. Diabetes Research and Clinical Practice (2006)
10. Health Expectations (2004, 2013, 2014)
11. Journal on Information Technology in Healthcare (2004)
12. Journal of the National Cancer Institute (2005)
13. Evaluation and Program Planning (2005)
14. Journal of Medical Internet Research (2007, 2010, 2011)
15. Journal of the American Medical Association (2004)
16. Medicare Medicaid Research Review (2012, 2013)
17. Applied Clinical Informatics (2015-2018)
18. Annals of Internal Medicine (2015)
19. The Permanente Journal (2018)

Other Professional Responsibilities and Service Activities

Reviewer, American Medical Informatics Association Annual Meeting, 2010 – 2016
Reviewer, Conference on Human Factors in Computing Systems Annual Meeting (ACM CHI), 2017
Executive Committee Member, VA eHealth QUERI, 2010 – 2015
Abstract Reviewer, Medicine 2.0: Social Networking and Web 2.0 Applications in Medicine and Health, International, Conference Toronto Canada, 2008

Briefed staff in five federal legislator's offices in Washington DC (including Murray, Cantwell, McDermott) on importance of patient-centered policies for personal health records. July, 2008
Selected to present to RWJF Board of Trustees in Seattle on use of the Chronic Care Model with new communication technologies, 2008

G. Bibliography

Peer-Reviewed Research Publications in Journals (*primary mentor publications)

1. Aronson S, Babb L, Ames D, Gibbs RA, Venner E, Connelly JJ, Marsolo K, Weng C, Williams MS, Hartzler AL, Liang WH, **Ralston JD**, Devine EB, Murphy S, Chute CG, Caraballo PJ, Kullo IJ, Freimuth RR, Rasmussen LV, Wehbe FH, Peterson JF, Robinson JR, Wiley K, Overby Taylor C; eMERGE Network EHRI Working Group. Empowering genomic medicine by establishing critical sequencing result data flows: the eMERGE example. *J Am Med Inform Assoc*. 2018 May 31. doi:10.1093/jamia/ocy051. [Epub ahead of print] PubMed PMID: 29860405
2. Chang E, Blondon K, Lyles CR, Jordan L, **Ralston JD**. Racial/ethnic variation in devices used to access patient portals. *Am J Manag Care*. 2018 Jan 1;24(1):e1-e8. PubMed PMID: 29350513.

J. Selected Conferences and Symposia

1. Presenter, Patient Health Information Needs, AHRQ National Webinar, May 2015.
2. Invited speaker, Is Mobile Taking Over: Group Health Cooperative's Early Experience. Academy Health Annual Meeting, June 2014.
3. Co-leader, Secure Messaging Curriculum for Residents. Workshop at Northwest Society for General Internal Medicine Annual Meeting, Portland Oregon, 2013.
4. Invited speaker, Open Notes: Toward Further Transparency in Healthcare. Academy Health Annual Meeting, June 2011.
5. Invited testimony, Meaningful Use Workgroup for Electronic Health Records, Office of the National Coordinator for Health Information Technology. April 2010 Washington DC.
6. Invited participant, Building Bridges: Consumer Needs and the Design of Health Information Technology, Agency for Healthcare Research and Quality, July 27-28, 2009.
7. Invited panelist, Policy Implications of Personal Health Records, Project HealthDesign Expo, September 2008, Washington DC.
8. NIBIB/NHLBI/NSF Workshop on point of care technologies. Patient Portals: Connecting Clinicians and Patients at Home: Crystal City, Maryland. April 12, 2006.
9. Invited speaker, MyGroupHealth Web Portal and Shared Medical Records with Patients. AHRQ Annual Patient Safety and Health Information Technology Conference, Washington DC. May 2006.
10. Invited public testimony: American Health Information Community: AHIC Chronic Care Working Group: Shared Electronic Medical Records Between Patients and Providers. August 16th, 2006.

James D. Ralston, M.D., M.P.H.

11. Invited speaker. MyGroupHealth: Connecting Patients and Providers. Markle Foundation's Connecting for Health, Annual National Meeting on Personal Health Records. Washington DC. December 2006.
12. Invited speaker and panel lead, Patient Centered Information Technology: Promises and Pitfalls. American Medical Informatics Association Annual Meeting, Washington DC. October 2005.
13. Invited speaker, Crossing to Safety: Transforming Healthcare Organizations for Patient Safety. Washington State Society for Healthcare Engineering, Yakima, Washington. September 2005.
14. Invited speaker, Research and Patient-Centered Informatics Design at Group Health Cooperative. Office of the National Coordinator for Health Information Technology. Washington DC. July 2005.
15. Invited speaker, Patient Centered Information Technology at Group Health Cooperative. AHRQ Annual Patient Safety and Health Information Technology Conference, Washington DC. May 2005.
16. Moderator, Table Topic on Patient Portals. AHRQ Annual Patient Safety and Health Information Technology Conference, Washington DC. May 2005.
17. Invited speaker, "Web services for patients at Group Health Cooperative." Connecting for Health, A Public Private Collaborative. Agency for Healthcare Research and Quality, Rockville Maryland, May 2004.
18. Topic Expert in Personal Health, National Health Information Infrastructure, Washington D.C. 2004.
19. Topic Expert in Health Information Technology and Chronic Care, Improving Chronic Illness Care, National Meeting. 2004.
20. Invited speaker, "Patient experience using a diabetes support program based on the electronic medical record." Society of General Internal Medicine, National Meeting, Vancouver BC, May 2003; HMO Research Network, Dearborn MI, May 2004.
21. Member, Expert Evaluation Group, CMS Chronic Disease Registry Evaluation. Baltimore, MD, 2003.

K. Professionally-related Community Service

Member, Electronic Health Record Steering Committee, Group Health Cooperative	2012 - present
Co-Chair, Data and Informatics Strategy Committee, Group Health Research Institute	2016 to present
Member, Safety Monitoring Committee A Phase II Randomized, Partially-Blinded, Controlled Trial in Healthy Adults Aged 65 Years and Older to Assess the Safety, Reactogenicity, and Immunogenicity of an MF59-Adjuvanted, Monovalent Inactivated Influenza A/H7N9 Virus Vaccine Administered Intramuscularly at Different Intervals and Dosages	2014
Member, Safety Monitoring Committee A Phase II, Randomized, Open-Label Study to Evaluate the Safety and Immunogenicity of IMVAMUNE® Using Three Immunization Schedules and Two Modes of Deliver	2013
Member, Safety Monitoring Committee A Randomized, Double-Blinded, Controlled, Phase I Study in Healthy Adults to Assess the Safety, Reactogenicity, and Immunogenicity of Intramuscular Subvirion Inactivated Monovalent Influenza A/H5N1 Virus Vaccine Administered at Different Dose Levels Given With and Without AS03 Adjuvant.	2011
Member, Clinical Information Oversight Committee, Group Health Permanente	2003-2010
Member, Safety Monitoring Committee, NIH phase I randomized study of the safety, dose escalation, and immunogenicity of adjuvanted influenza A/Anhui/H5 boosting in subjects previously immunized with one or two doses of A/Vietnam/1203/04 or in unprimed individuals and compared to placebo	2010

James D. Ralston, M.D., M.P.H.

Member, Safety Monitoring Committee, NIH Phase I/II randomized study of the safety and immunogenicity of vaccination strategies using one or two clades and different schedules of H5N1 unadjuvanted, inactivated subvirion influenza vaccines in H5 naïve healthy adults.	2008-2010
Personal Health Record Collaborator Network	2005
Member, Connecting for Health, A Markle Foundation public-private collaborative to bring the American healthcare system into the information age.	2004
Chair, Clinical Information Oversight Committee, Center for Health Studies, Group Health Cooperative	2003-2006
Member, Health Informatics Strategic Planning Team, Group Health Cooperative	2003-2006
Member, Patient Safety Committee, Group Health Cooperative	2004-2006
Member, Quality Assurance Committee, Virginia Mason Medical Center, Seattle WA	1997-1998
Member, Educational Policy Committee, Virginia Mason Medical Center, Seattle WA	1997-1998
Member, Hospitalist Development Committee, Virginia Mason Medical Center, Seattle WA	1997-1998
Member, Housestaff-Nursing Committee, Virginia Mason Medical Center, Seattle WA	1997-1998
Member, Pharmacy and Therapeutics Committee, Virginia Mason Medical Center, Seattle WA	1994-1995
Member, Medical Student Infection Control Committee, University of Washington School of Medicine, Seattle WA	1993-1994
Medical Advisor, Steven's Pass Ski Patrol	2004- 2011

L. Teaching History

Guest Lectures

Biomedical and Health Informatics Lecture Series, University of Washington

1. Is Mobile Taking Over: Group Health Cooperative's Early Experience. Spring, 2014
2. Inviting patients to read their doctor's notes: a quasi-experimental study, Fall 2012
3. Personal Health Records: Promises, Policies and Pitfalls, Spring 2011
4. Designing and testing mobile technologies for diabetes care at UW, Fall 2008
5. Testing a new paradigm of chronic care through the Northwest Immersive Computing Health Environments Consortium (NICHE), Fall 2007

Health Services PhD Seminar, University of Washington

1. Mobile technologies for diabetes care, promises and pitfalls, Fall 2008.
2. eHealth and changing the paradigm of care, Fall 2006

Health Services Physician Fellow Seminar, University of Washington

1. Mobile technologies for diabetes care, Fall 2008
2. eHealth and changing the paradigm of care, Fall 2006
3. Web portals and care of chronic conditions, Fall 2004

School of Nursing, University of Washington

1. Diabetes self-management support between office visits, Spring 2007
2. Open Notes: a quasi-experimental study and look ahead. Spring 2014

Other Teaching

Introduction to Clinical Medicine I (ICM I), Small Group Leader, University of Washington School of Medicine, Seattle WA	7/01 – 7/03
Introduction to Clinical Medicine II ICM II Small Group Leader, University of Washington School of Medicine, Seattle WA	7/00 – 6/01
Group Facilitator, "Working with Patients--Survival Skills", ICM II, University of Washington School of Medicine, Seattle WA	2000 – 2001
Faculty Examiner, Physical Exam, ICM I,	2001 – 2002

James D. Ralston, M.D., M.P.H.

University of Washington School of Medicine, Seattle WA	
Attending Hospitalist, Virginia Mason Medical Center, Seattle WA,	2000 – 2003
Chief Medical Resident, Virginia Mason Medical Center, Seattle WA	1997 – 1998
Medical Student Tutor, Anatomy and Embryology, University of Washington School of Medicine, Seattle WA	1991
M. Advising and Formal Mentoring	
PhD Dissertations, Chair or Co-Chair	
Lynne Harris, University of Washington School of Public Health Department of Health Services	8/05 – 6/12
Katherine Blondon, MD, U of Washington School of Public Health, Department of Health Services	2011 – 2013
Master Thesis, Chair	
MPH Emily McFadden, University of Washington School of Public Health Department of Department of Health Services	09/18- present
MPH William Weppner MD, University of Washington School of Public Health Department of Health Services	11/07 – 7/09
PhD Committees in Non-Chair Roles	
Member, PhD Dissertation Committee, Andrew Berry University of Washington Department of Human Centered Design and Engineering	12/17 – present
Member, PhD Dissertation Committee, Walter H Curioso, MD University of Washington Department of Biomedical and Health Informatics	12/08 – 6/12
Member, PhD Dissertation Committee, Kelly McCarrier University of Washington School of Public Health Department of Health Services	11/06 – 7/09
Member, PhD Dissertation Committee, James Tufano University of Washington Department of Biomedical and Health Informatics	11/06 – 7/09
Mentored Scientists and Post-Doctoral Fellows	
Courtney Lyles, PhD, Post-Doctoral Fellow University of Washington Department of Health Services	07/10 – 06/11
Courtney Lyles, PhD, Assistant Professor AHRQ K99: University of California, San Francisco Department of Medicine	08/13 – 07/18
Other Mentoring	
Tung Le, Masters of Science, University of Washington Department of Biomedical and Health Informatics	2006 – 2008
Robert Wood Johnson Clinical Scholar, Tammy Linn University of Washington School of Medicine	7/03 – 7/04
