PROFILE

PhD in health services research; interested in the integration of screening, assessment, and evidence-based treatment for substance use in primary care. Trained in social and behavioral theories and the conduct of both quantitative and qualitative research focused on the prevention and management of substance use disorders. Detail-oriented, approaches challenges with enthusiasm and creativity. Excellent oral and written communication skills.

EDUCATION

- 2018 – 2022 **PhD**, University of Washington School of Public Health, Seattle WA
Department of Health Systems and Population Health
Area of Emphasis: Evaluative Sciences
Dissertation: Evaluation of screening, assessment, diagnosis, and treatment for cannabis use disorder in primary care
- 2015 – 2017 **MPH**, University of Washington School of Public Health, Seattle WA
Department of Health Services
Concentration: Social and Behavioral Sciences
Thesis: Are PTSD symptoms associated with engagement and response to alcohol care management for Veteran Affairs patients with high-risk drinking?
- 2008 – 2012 **BA**, Whitman College, Walla Walla WA
Psychology, Honors
Thesis: Age-Related Associative Memory Under Divided Attention

RESEARCH POSITIONS

- 11/2022 – present **Collaborative Scientist II** ♦ Kaiser Permanente Washington Health Research Institute, Seattle WA
- 6/2017 – 11/2022 **Research Interventionist** ♦ Kaiser Permanente Washington Health Research Institute, Seattle WA
- 9/2018 – 9/2022 **Predocctoral Fellow** ♦ VA Puget Sound Health Services Research & Development, Center of Innovation for Veteran-Centered & Value-Driven Care, Seattle WA
- 6/2017 – 9/2018 **Research Coordinator** ♦ VA Puget Sound Health Services Research & Development, Center of Innovation for Veteran-Centered & Value-Driven Care, Seattle WA
- 5/2016 – 6/2017 **Intern/Research Assistant** ♦ Group Health Research Institute, Seattle WA
- 9/2011 – 12/2011 **Research Assistant** ♦ Whitman College Psychology Department, Walla Walla WA

HONORS, AWARDS, & SCHOLARSHIPS

- 6/2022 Gilbert S. Omenn Award for Academic Excellence, University of Washington School of Public Health, Seattle, WA (\$2,500 stipend)
- 6/2022 Health Systems and Population Health Outstanding Graduate Student, University of Washington School of Public Health, Department of Health Systems and Population Health, Seattle, WA
- 10/2018 – 6/2022 Predoctoral Fellowship, Department of Veteran Affairs Health Services Research & Development, Seattle, WA. (\$35,000/year for tuition + stipend)
- 6/2022 Introduction to Causal Data Analysis and Modeling with Coincidence Analysis, University of Bergen, Bergen, Norway. (\$462 registration)
- 3/2022 SPOT Bonus Award, Kaiser Permanente Washington Health Research Institute, Seattle, WA (\$1,000 stipend)
- 9/2020 Configurational Comparative Methods Intensive Course scholarship, Regenstrief Center for Health Services Research, Virtual. (\$650 registration)
- 6/2020 Alice S. Hersh Student Scholarship, AcademyHealth 2020 Annual Research Meeting, Washington D.C. (\$425 registration)
- 10/2018 New Investigator Travel Award, Addiction Health Services Research 2018 Annual Conference, Savannah GA (\$1,000 stipend for conference attendance)
- 6/2018 Junior Investigator Award, Research Society on Alcoholism 2018 Scientific Meeting, San Diego, CA (\$200 registration + \$190 stipend)
- 4/2017 Travel Grant, Health Services Department, University of Washington, Seattle WA (\$476 for registration + travel expense)

PROFESIONAL ACTIVITIES

Leadership

- 1/2019 – 1/2022 **Vice President**, AcademyHealth University of Washington Student Chapter

Society and Committee Membership

- 2022 – 2023 **Member**, University of Washington Health Systems and Population Health PhD Admission's Committee
- 1/2019 – present **Member**, AcademyHealth

Invited Talks and Organized Workshops

- 4/2023 **Presenter**, A proposed framework for designing trials evaluating the effectiveness and implementation of digital behavioral health interventions. (2023, April 4). Center for Behavioral Intervention Technologies (CBITs) Digital Mental Health Webinar, Virtual.
- 2/2023 **Presenter**, A proposed framework for designing trials evaluating the effectiveness and implementation of digital interventions for Substance Use. (2023, February 21). Center for Dissemination & Implementation At Stanford (C-DIAS) Prevention Science & Methodology Group Virtual Grand Rounds, Virtual.

- 12/2022 **Presenter**, Evaluation of screening, assessment, diagnosis, and treatment for cannabis use disorder in primary care. (2022, December 6). Addictions Drug and Alcohol Institute (ADAI) Lunch-and-Learn, Virtual.
- 6/2022 **Student speaker**, 2022 School of Public Health Graduation. (2022, June 12). University of Washington School of Public Health, Seattle, WA.
- 4/2022 **Presenter**, Validity of a single-item cannabis screen when used routinely in primary care. (2022, April 27). National Institute on Drug Abuse, Clinical Trials Network Annual Steering Committee Meeting, Virtual.
- 4/2022 **Presenter**, Psychometric performance of a substance use symptom checklist to help clinicians assess cannabis use disorder in primary care. (2022, April 27). National Institute on Drug Abuse, Clinical Trials Network Annual Steering Committee Meeting, Virtual.
- 4/2021 – 5/2021 **Organizer**, “Non-Traditional Methods for Communicating Research.” (2021, April 26, May 10 & May 24). Three-part speaker series and workshop hosted by the University of Washington’s AcademyHealth and ISPOR Student Chapters, Virtual.
- 4/2021 **Moderator**, “The Audience Rules! How to Think Strategically About Communicating Research.” (2021, April 26). Workshop hosted by the University of Washington’s AcademyHealth and ISPOR Student Chapters, Virtual.

Peer Review

- 8/2022 **Abstract Reviewer**, AcademyHealth Dissemination & Implementation Conference, Behavioral Health track
- 2018 – present **Manuscript Reviewer (ad hoc) for** *JAMA Network Open, Journal of Medical Internet Research, Preventive Medicine, Drug and Alcohol Dependence, Addiction Science & Clinical Practice, Alcoholism: Clinical & Experimental Research, Health Education & Behavior, American Journal of Health Promotion, Journal of Cannabis Research*

PEER-REVIEWED PUBLICATIONS (In reverse chronological order)

1. McClure EA, Hamilton L, Schauer GL, **Matson TE**, Lapham GT. Cannabis and nicotine co-use among primary care patients in a state with legal cannabis access. *Addict Behav.* In press.

ABSTRACTS & PRESENTATIONS (In reverse chronological order)

* Podium presenter; † Moderator or Chair

1. ***Matson TE**, Hermes EDA, Lyon AR, Quanbeck A, Schueller SM, Wilson SM, Glass JE. A proposed framework for designing trials evaluating the effectiveness and implementation of digital interventions for substance use. In JE Glass (Chair), *Digital interventions for substance use disorders: Trial results, implementation strategies, and design considerations in studies that have real-world implications*. Symposium at: INEBRIA Edinburgh Conference 2022; September 21-23, 2022; Edinburgh, UK.
2. ***Matson TE**, Lapham GL, Bobb JF, Oliver M, Hallgren KA, Williams EC, Bradley KA. Validity of the Single-Item Screen – Cannabis (SIS-C) for cannabis use disorder screening in routine care. Podium presentation at: INEBRIA Edinburgh Conference 2022; September 21-23, 2022; Edinburgh, UK.
3. Mendon-Plasek SJ, Bashir S, Doering E, **Matson TE**, Zimmerman L, Lane-Fall, M. Identifying pathways for promoting implementation success: A scoping review on the use of configurational comparative methods in implementation science. In B Cooper (Chair), *Advances and best practices in configurational comparative methods: Taking implementation science to the next frontier*. Symposium at: Society for Implementation Research Collaboration Conference; September 9th, 2022; San Diego, CA.
4. **Matson TE**, Hallgren KA, Oliver MA, Lapham GT, Williams EC, Bradley KA. Assessing cannabis use disorder in primary care: Psychometric performance of a substance use symptom checklist. Poster to be presented at: College on Problems of Drug Dependence; June 15, 2022; Minneapolis, MN.
5. **Matson TE**, Lapham GL, Wakefield JC, Williams EC. Density of cannabis retailers and cannabis use disorder for Veteran Health Affairs patients in King County, Washington. Poster presented at: 2020 Addiction Health Services Research Conference; October 14-16, 2020; Virtual. <https://osf.io/4u69q/>
6. **Matson TE**, Chen JA, Harris AHS, Rubinsky AD, Blossnich JR, Williams EC. Influence of a national transgender healthcare directive on receipt of alcohol-related care among transgender Veteran Health Affairs patients with unhealthy alcohol use. Poster presented at: AcademyHealth 2020 Annual Research Meeting; July 28-August 6, 2020; Virtual <https://academyhealth.confex.com/academyhealth/2020arm/meetingapp.cgi/Paper/39497>

7. ***Matson TE**, Chen JA, Harris AHS, Rubinsky AD, Blosnich JR, Williams EC. Effect of a national transgender healthcare directive on receipt of alcohol-related care among transgender Veterans with unhealthy alcohol use. In EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43rd Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.
8. Williams EC, Frost MC, Rubinsky AD, Glass JE, Wheat CL, Edmonds AT, Chen JA, **Matson TE**, Fletcher OV, Lehavot K, Blosnich JR. Patterns of alcohol use among transgender veterans: Overall and relative to non-transgender Veterans. In EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43rd Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.
9. Blosnich JR, Frost MC, Rubinsky AD, Glass JE, Wheat CL, Edmonds AT, Chen JA, **Matson TE**, Fletcher OV, Lehavot K, Williams EC. Receipt of alcohol-related care among transgender Veterans with unhealthy alcohol use. In EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43rd Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.
10. **Matson TE**, Lim C, Hartzler A, Kimbel K, Lee AK, Beatty T, Parrish R, Caldeiro RM, McWethy AG, Bradley KA, Glass JE. Approaches for implementing digital treatments for drug use disorders into primary care: A qualitative study of patient perspectives. Poster presented at: 12th Annual Conference on the Science of Dissemination and Implementation in Health; December 4-6, 2019; Arlington, VA.

TECHNICAL SKILLS

- **Quantitative programing and analysis:** STATA, R, SPSS, Mplus
- **Qualitative coding and analysis:** ATLAS.ti, Dedoose, rapid analysis (using Excel, Miro, etc.)
- **Data collection:** participant recruitment, qualitative interviewing, prototyping and testing
- **Interpersonal skills:** Motivational interviewing, behavioral activation, problem-solving therapy
- **Database management:** Development of data dictionaries, codebooks, publication-quality tables
- **Productivity:** Advanced MS Office (Word, Excel, PowerPoint), Google Drive (Sheets, Docs, Slides)
- **Reference Management:** EndNote, Mendeley
- **Graphic design:** Adobe Photoshop, Illustrator, InDesign, Lightroom
- **Conferencing:** Zoom, Teams, Slack
- **Languages:** English, French (written)

PUBLIC HEALTH SERVICE

- 1/2022–2/2022 **COVID-19 Operations Volunteer** ♦ Kaiser Permanente Washington, Seattle WA
Assembled free COVID-19 home antigen test kits for members.
- 10/2014–2/2015 **Volunteer** ♦ Association SILA at Hôpital Arrazi, Salé, Morocco
Conducted community needs assessment for mental health in Morocco.
Taught mindfulness meditation practices to hospital staff and lead
mindfulness activities for patients. Developed sensory stimulation and
cognitive exercises for dementia patients.
- 1/2014–12/2014 **Navigator/In-Person Assister** ♦ Washington Health Benefit Exchange, WA
Targeted education and outreach about health insurance under the
Affordable Care Act to at-risk youth in the Walla Walla community.
Helped individuals and families understand their healthcare coverage
options and provided assistance completing the enrollment process.
- 8/2013–7/2014 **Resilience-Oriented Systems of Care (ROSC) Committee Member** ♦
Department of Social and Health Services, Walla Walla, WA
Trained to use ROSC model for delivering a range of comprehensive care
to those with or at-risk of substance use disorders. Coordinated
partnerships between law-enforcement, health services and other
community-based organizations. Created a comprehensive guide to
community resources for substance use.
- 9/2012–7/2014 **Communicable Diseases Committee Member** ♦ Walla Walla County
Department of Community Health, Walla Walla WA
Developed STD campaign to promote awareness among community youth.
Surveyed parents and educators on perceptions of sexual health education
in school, and described current practices
- 9/2012–7/2014 **Clinic Coordinator** ♦ The Health Center, Walla Walla, WA
Coordinated free primary health care and mental health care at a school-
based health clinic that serves low-income, at-risk student populations.
Provided community referrals, social and emotional support to students.
Developed educational events/programs to teach healthy behaviors,
nutrition and reinforce positive relationships. Actively recruited and
managed volunteers. Created donor development material.
