

Curriculum Vitae

Dori E. Rosenberg, Ph.D., M.P.H.

Group Health Research Institute
1730 Minor Avenue, Suite 1600
Seattle, WA 98101-1466
Office: (206) 287-2532
E-mail: rosenberg.d@ghc.org

Current Positions

Assistant Scientific Investigator, Group Health Research Institute
Affiliate Assistant Professor, Department of Health Services, University of Washington School of Public Health

Education

Ph.D., Clinical Psychology (behavioral medicine track), San Diego State University & University of California, San Diego Joint Doctoral Program in Clinical Psychology, August, 2010

M.P.H., Health Promotion, San Diego State University Graduate School of Public Health, December, 2003

B.A., Psychology, University of Puget Sound, May, 2000

Training

National Institute on Aging Summer Institute, 2013

Cancer Research Network Scholars Program, 2013-2014

Postdoctoral Fellowship, University of Washington, Department of Rehabilitation Medicine, 2010-2011

Built Environment Assessment Training Institute, University of Pennsylvania, June 2011

Physical Activity and Public Health Course, Arnold School of Public Health, Prevention Research Center, University of South Carolina and the Centers for Disease Control and Prevention, September 2010

Psychology Intern, Veterans Affairs Puget Sound Health Care System, Seattle Division (APA-Accredited), 2009-2010

Honors and Awards

Butler Williams Scholar, National Institute on Aging, 2013

Invited Junior Faculty Member, NHLBI and NIA workshop on "Sedentary Behavior: Identifying Research Priorities", 2013

Outstanding Dissertation Award, Society of Behavioral Medicine, 2010

Student Research Award, Society of Behavioral Medicine Physical Activity SIG, 2010

Meritorious Student Abstract, Society of Behavioral Medicine, 2009

Dorathe Frick Memorial Scholarship, San Diego State University Psychology Department, 2007

San Diego State University International Travel Scholarship, 2005

Citation Abstract, Society of Behavioral Medicine annual meeting, 2005

University Merit Scholarship, San Diego State University, 2002-2003
Coolidge Otis Chapman Scholar, University of Puget Sound, 2000
Honors in Psychology, University of Puget Sound, 2000
Trustee Merit Scholarship, University of Puget Sound, 1996-2000
Psi Chi, International Honor Society in Psychology, 1999

Professional Service

Chair, Program Planning Committee, Physical Activity Section of the American Public Health Association, 2013
Member, Program Planning Committee, Physical Activity Section, American Public Health Association, 2012-2014
Invited member, NIA/NHLBI Sedentary Behavior Workshop, 2013-2014
Elected member, Scientific Policy Committee, Group Health Research Institute, 2014
Abstract reviewer, American Public Health Association, 2011-2014
Abstract reviewer, International Society for Behavioral Nutrition and Physical Activity, 2012-2014
Guest Editorial Board, Health Education and Behavior, 2012
Grant reviewer, U.S. Administration on Aging, 2012
Co-lead, Council on Environment and Physical Activity--Older Adult Group, International Society for Physical Activity and Health, 2011-2012
Grant reviewer, Institute of Translational Health Sciences pilot funding program, 2011
Invited Member, Resource Guidance Group, CDC Healthy Aging Network, Environment and Policy Change Committee, 2010-2012
Member, CDC Healthy Aging Research Network, 2010-2014
Member, CDC Physical Activity Policy Research Network, 2012-2014
Co-chair, CDC Healthy Aging Research Network Healthy Aging and Technology Workgroup, 2012-2014
Member, Washington Coalition for Promoting Physical Activity, 2012-2014
Member, Sedentary Behavior Research Network, 2012-Present
Member, HMO Research Network Obesity Special Interest Group, 2011-present
Abstract reviewer, Society of Behavioral Medicine, 2009-Present
Research advisor, Walk and Talk with Your Healthcare Team, Group Health Foundation Innovation Grant (PI: Rosemary Agostini, MD), 2012
Research advisor, Actigraphy to Examine Shoulder Surgery Outcomes, Group Health Cooperative Grant (PI: Sean Adelman, MD), 2013-current
Student Representative, Seattle VA psychology internship seminar committee, 2009-2010
Student Volunteer, Active Living Research annual conference, 2004-2010
Student Representative, Behavioral Medicine Admissions Committee, San Diego State University & University of California, San Diego Joint Doctoral Program in Clinical Psychology, 2006-2008
Local Arrangements Committee Member, Society of Behavioral Medicine, 2007-2008
Research Mentor, Stein Institute's High School and Medical Student Training in Aging Research Programs, University of California, San Diego Summer Program, 2006-2008
Student Volunteer, Association of Psychology Postdoctoral and Internship Centers annual conference, 2007

16. **Rosenberg DE**, Calfas KJ, Norman GJ, Zabinski MF, Patrick K. Self-management strategies as mediators of physical activity in adolescents. *Ann Behav Med.* 2005;29:S67. Poster presented at the annual meeting for the Society of Behavioral Medicine, Boston, MA.
17. **Rosenberg DE**, Kerr J, Sallis JF, Saelens BE, Frank L, Cain K. Parental and environmental correlates of walking to school. *Ann Behav Med.* 2005;29:S114. [Citation Abstract]. Paper presented at the annual meeting for the Society of Behavioral Medicine, Boston, MA.
18. **Rosenberg DE**, Calfas KJ, Norman GJ, Patrick K, Elder JP. Adolescent strategy use, stage of change, and physical activity behavior. *Ann Behav Med.* 2004;27:S90. Poster presented at the annual meeting for the Society of Behavioral Medicine, Baltimore, MD.
19. **Rosenberg DE**, Sallis JF, Conway T, Hill JO. The health effects of active modes of transportation to school. *Ann Behav Med.* 2004;27:S114. Paper presented at the annual meeting for the Society of Behavioral Medicine, Baltimore, MD.

Additional Presentations at Meetings:

1. Gell N, **Rosenberg D**, Grothaus L, Arterburn D. (2014, June). Using health risk assessments to understand older adult sedentary time. Poster will be presented at the annual meeting of the Society for Epidemiological Research. Seattle, WA.
2. Kerr J, Marshall S, Golshan S, Crist K, Bolling K, **Rosenberg D**, Sallis J, Buchner D. (2014, May). Effects of a multilevel intervention on step counts in older adults at three months. Oral presentation at the annual meeting of the International Society for Behavioral Nutrition and Physical Activity. San Diego, CA.
3. Kerr J, **Rosenberg D**, Carlson J, Saelens B, Owen N, Cain K, Conway T, Sallis J. (2014, May). Sedentary time and depressive symptoms in adults: exploring moderators. Poster presentation at the annual meeting of the International Society for Behavioral Nutrition and Physical Activity. San Diego, CA.
4. Kerr J, Atkin A, Carlson J, **Rosenberg D**, Saelens B, Conway T, Owen N, Sallis J. (2014, May). Ecological correlates of sedentary time in adolescents: individual, interpersonal, home and neighborhood. Poster presentation at the annual meeting of the International Society for Behavioral Nutrition and Physical Activity. San Diego, CA.
5. Millstein R, Kerr J, Wang L, Golshan S, Crist K, **Rosenberg D**. (2014, May). Exploring relationships between physical activity and mental health in three older adult populations. Poster presented at the annual meeting of the International Society for Behavioral Nutrition and Physical Activity. San Diego, CA.
6. **Rosenberg DE**, Gell N, Greenwood-Hickman MA, Renz A, Arterburn D. (2014, May). Reducing sitting time in older adults with obesity. Poster presented at the annual meeting of the International Society for Behavioral Nutrition and Physical Activity. San Diego, CA.
7. **Rosenberg DE**, Grothaus L, Gell N, Arterburn D. (2014, April). Using health risk assessments to understand older adult sedentary time. Poster presented at the annual meeting for the HMO Research Network. Phoenix, AZ.
8. **Rosenberg DE**, Gell N, Kerr J, Carlson JA, Belza B. (2013, November). Using GPS to examine active transportation patterns among people aging with mobility disabilities. Oral presentation at the American Public Health Association annual meeting, Boston, MA.
9. **Rosenberg DE**, Kerr J. (2013, November). Promoting physical activity among older adult populations and built environment changes in retirement communities for optimal aging. Pre-conference Workshop at the Gerontological Society of America, New Orleans, LA.
10. Greenwood-Hickman, MA, Renz A, **Rosenberg DE**. (2013, September). Barriers and facilitators to reducing sedentary time among older adults with obesity. Poster at the University of Washington Elder Friendly Futures conference.
11. **Rosenberg DE**, Gell N, Papadopoulos H. (2013, June). Objectively quantifying physical activity in an evidence-based program for older adults. Poster at the International Conference on Ambulatory Monitoring of Physical Activity and Movement annual meeting, Amherst, MA.
12. Kerr J, Crist K, Marshall S, **Rosenberg DE**, Castro C, Sallis J, Wasilenko K, Bolling K, Chen J, Wang L. (2013, February). Comprehensive evaluation of a multilevel physical activity intervention in older adults. Oral presentation at the Active Living Research annual meeting, San Diego, CA.
13. Bombardier C, **Rosenberg DE**, Artherholt S, Motl R, Jensen M. (2012, October). Depression and physical activity among adults with multiple sclerosis, muscular dystrophy, spinal cord injury, and post-polio syndrome. Poster presented at the European Committee for Treatment and Research in Multiple Sclerosis, Lyon, France.

14. Bethancourt H, **Rosenberg DE**, Beatty T, Arterburn D. (2012, September). Barriers and facilitators of physical activity among Medicare members. Poster presented at Creating Elder Friendly Communities: A University of Washington Gerontology Research Forum, Seattle, WA.
15. **Rosenberg DE**, Belza B, Petz S. (2012, May). Adapting the Neighborhood Environment Walkability Scale for Older Adults with Mobility Disabilities. Symposium presented at the International Society for Behavioral Nutrition and Physical Activity, Austin, TX.
16. **Rosenberg DE**, Bombardier C, Jensen M, Goetz M, Ehde D. (2011, November). Physical activity and depression among people aging with disabilities. Oral presentation at the American Public Health Association annual meeting, Washington, DC.
17. **Rosenberg DE**, Belza B, Petz S. (2011, November). The Built Environment, Accessibility, and Mobility Study. Oral presentation at the American Public Health Association annual meeting, Washington, DC.
18. **Rosenberg DE**, Belza B. (2011, November). Using GPS to enhance our understanding of mobility in older adults. Oral presentation at the Gerontological Society of America annual meeting, Boston, MA.
19. Jensen M, Molton I, Gertz K, Bombardier C, **Rosenberg DE**. (2011, October). Physical activity and depression in middle and older-aged adults with multiple sclerosis. Poster presented at the European and Americas Committees for Treatment and Research in Multiple Sclerosis, Amsterdam, Netherlands.
20. Petz S, **Rosenberg DE**, Belza B. (2011, April). GPS-directed interviewing: a technology-driven qualitative approach. Poster presented at the Western Institute of Nursing annual conference, Las Vegas, NV.
21. Kerr J, **Rosenberg DE**, Marshall S. (2011, April). An ecological multi-level physical activity intervention in retirement communities. Workshop presented at the American Society on Aging annual conference, San Francisco, CA.
22. **Rosenberg DE**, Sallis JF, Kerr J, Norman GJ, Durant N, Harris SK, Saelens BE. (2010, February). Dog walking among youth: relationships with physical activity, BMI, and built environment. Poster presented at the annual Active Living Research conference, San Diego, CA.
23. Carlson JA, Kerr J, **Rosenberg DE**, Sallis JF, Saelens BE, Leak CR, Frank LD, Chapman JE, King AC. (2010, April). Development and evaluation of the Audit of Physical Activity Resources for Seniors (APARS) tool. Rapid communications poster presented at the annual meeting for the Society of Behavioral Medicine, Seattle, WA.
24. **Rosenberg DE**, Depp C, Vahia I, Jeste D, Reichstadt J. (2009, June). An exergame pilot study to improve mental and physical health among older adults. Lecture presented at the 2009 Games for Health Conference, Boston, MA.
25. **Rosenberg DE**, Kerr J, Sallis J. (2009, February). Use of on- and off-site environments for walking by older adults living in retirement communities. Poster presented at the 2009 Active Living Research conference, San Diego, CA.
26. Restivo MD, **Rosenberg DE**, Kerr J, Patrick K. (2008, May). Development of a brief screening tool to assess physical functioning in older adults. Poster presented at the annual meeting for the American Geriatrics Society, Washington, DC.
27. Quigley CA, Sallis JF, **Rosenberg DE**, Conway TL, Saelens BE, Frank LD. (2008, March). Psychosocial correlates of adult physical activity: do they differ for blacks and whites? Rapid communications poster presented at the annual meeting for the Society of Behavioral Medicine, San Diego, CA.
28. **Rosenberg DE**, Maher J, Sallis JF, Kerr J, Norman G, Saelens BE, Harris SK, Durant N. (2008, April). Home environment related to activity, sedentary behavior, and body mass

index in children and adolescents. Poster presented at the annual meeting for Active Living Research, Washington, DC.

29. **Rosenberg DE**, Kerr J, Sallis JF, Norman G, Saelens BE, Harris SK, Durant N. (2008, April). Built environment characteristics and neighborhood-based physical activity among youth. Poster presented at the International Congress of Physical Activity and Public Health, Amsterdam, Netherlands.
30. Kerr J, Saelens BE, **Rosenberg DE**, Norman G, Durant N, Eggerman J, Sallis JF. (2006, February). Active Where?: multi-region formative research to understand children's activity environments. Poster presented at the annual meeting for Active Living Research, San Diego, CA
31. Sallis JF, Norman GJ, Calfas KP, **Rosenberg DE**, Zabinski MF, Patrick K. (2004, August). Cognitive and behavioral self-regulatory processes in adolescent physical activity and nutrition change: PACE+. Poster presented at the annual meeting of the International Society of Behavioral Medicine, Mainz, Germany.

Instructor, Psychology Department Fall 2007
Health Psychology (upper division elective)
Supervisor: Elizabeth Klonoff, Ph.D.

Graduate Teaching Assistant, Graduate School of Public Health Fall 2003
Research Methods and Proposal Writing
Supervisor: Karen Coleman, Ph.D.

Invited Talks

“Using GPS to examine physical activity and mobility in people with mobility disabilities.” (February, 2013). Research Colloquium on Technology and Aging, Department of Biomedical Informatics and Medical Education, University of Washington.

“Use of physical activity programs among Group Health Medicare beneficiaries.” (December, 2012). University of Washington Centers for Comparative and Health Systems Effectiveness, Seattle, WA.

“Outdoor built environment barriers for older adults with mobility disabilities.” (September, 2012). Feet First policy committee (pedestrian advocacy organization), Seattle, WA.

“Built Environment Outcomes of the BEAM Study.” (July, 2012). Livable Communities Subcommittee of the King County Mobility Coalition, Seattle, WA.

“Multilevel intervention approaches for promoting physical activity.” (July, 2012). Alere research group, Seattle, WA.

“Multilevel intervention approaches for promoting physical activity among older adults.” (July, 2012). Introduction to Research in Nursing, School of Nursing, University of Washington.

“Physical Activity in a Changing Environment.” (May, 2012). Health Psychology course, Seattle University.

“Built Environment Outcomes of the BEAM Study.” (April, 2012). Northwest Universal Design Council, Seattle, WA.

“The Built Environment, Accessibility, and Mobility Study.” (June, 2011). American Institute of Architects Design for Aging Committee, Seattle, WA. Co-presenter, Basia Belza, Ph.D.

“A multilevel walking intervention for older adults living in retirement communities.” (November, 2010). Introduction to Research in Nursing, School of Nursing, University of Washington.

“Engaging sedentary older adults in active living: activating the “go” gene.” CareForce, Sunrise Assisted Living, and Life Care Center of Kirkland 2nd Annual Event. Co-presenters, Basia Belza, Ph.D., Chris Fordyce, M.D.

“Multicultural perspectives on physical activity.” (May, 2010). Geriatrics in Physical Therapy, Department of Rehabilitation Medicine, University of Washington. Co-presenter, Dr. Basia Belza, Ph.D.

“Current approaches to obesity treatment.” (April, 2010). Psi Chi Initiation, University of Puget Sound, Tacoma, WA.

“Physical activity and PTSD.” (January, 2010). PTSD Research Forum, Seattle VA.

“Promoting physical activity in rehabilitation.” (December, 2009). Rehabilitation Care Service, Seattle VA.

“Physical activity interventions for older adults.” (November, 2009). Introduction to Research in Nursing, School of Nursing, University of Washington.

“Physical activity and sedentary behavior.” (February, 2008). Health Psychology, Psychology Department, San Diego State University.

“Effects of physical activity on cognitive function.” (May, 2007). Stein Institute for Research on Aging new investigator and postdoctoral seminar, University of California, San Diego. Co-presenter, Jacqueline Kerr, Ph.D.

“Cardiovascular disease.” (October, 2006). Health Psychology, Psychology Department, San Diego State University.

Research Advising and Supervising

Kelsey Pullar, BA – MPH in Health Services student, MPH advisor, 2013-current

Mikael-Anne Greenwood, BA – MPH in Health Services student, research practicum and independent study supervisor, thesis committee member, 2013-2014

Salene Wu, PhD – Postdoctoral Fellow, Group Health Research Institute, 2013-current

Nancy Gell, PT, MPH, PhD – Postdoctoral fellow, Group Health Research Institute, 2012-2014

Shomir Chaudhuri, BS – Doctoral Student, Department of Biomedical Informatics and Medical Education, University of Washington School of Medicine, dissertation committee member, 2013-current

Hilary Bethancourt, BA – Doctorate of Anthropology and Masters of Public Health student; research practicum and independent study supervisor; 2012-2013

Deborah Huang, MD – Masters in Public Health student; research practicum supervisor; 2011

Amy Tseng, BA – Public Health undergraduate; research internship supervisor; 2011

Shannon Petz, BSN, RN – School of Nursing Doctoral Student; research supervisor; 2010-2011

Ashley Withers, MPH – San Diego State University Graduate School of Public Health masters student, research supervisor; 2007-2009

Michaela Restivo, MD – Medical Student Training in Aging Research Program UC San Diego, research supervisor; summer 2007

Ongoing Research Support

Grant #: U24 CA171524 (Kushi)

Dates: August 2014-August 2015

Agency: National Cancer Institute

Title: Physical Activity and Sedentary Time in Prostate Cancer (the PAST Study)

Major Goal: To examine the feasibility of incorporating objectively measured physical activity and sedentary behavior data into clinical care for men with prostate cancer taking androgen deprivation therapy.

Role: Principal Investigator

Grant #: R01 AG034181 (Von Korff)

Dates: 05/15/2010 - 04/30/2015

Agency: National Institute on Aging

Title: Transition to Long-Term Opioid Use Among Older Adults with Chronic Pain

Major Goal: To better understand risk factors for sustained use of prescription opioids, and for prescription opioid dysfunction.

Role: Co-Investigator

Grant #: CE-1304-6656 (Wernli)

Dates: 10/01/2013 - 09/30/2016

Agency: Patient-Centered Outcomes Research Institute
Title: Comparative Effectiveness Of Surveillance Modalities In Breast Cancer Survivors Major
Goal: To compare the effectiveness of the two most common breast imaging modalities, mammography and breast MRI, for the detection of second breast cancer events.
Role: Co-Investigator

Grant #: None (Lozano)
Dates: January 2013-March 2015
Agency: Group Health Foundation Partnership for Innovation
Title: Implementation of Medical Assistant Delivered Health Coaching for Adult Obesity
Major Goal: To pilot the training of medical assistants to provide brief health coaching to low-complexity obese patients and facilitate referrals to the YMCA Diabetes Prevention Program.
Role: Co-Investigator

Grant #: None (Rosenberg)
Dates: January 2013-December 2014
Agency: Group Health Research Institute
Title: Taking Active Breaks from Sitting Pilot Study
Major Goal: To develop and test the effects of a sedentary time reduction program for obese adults over age 60 using mixed-methods.
Role: Principal Investigator

Grant #: U24 CA171524 (Kushi)
Dates: April 2013-June 2015
Agency: National Cancer Institute
Title: CRN4: Cancer Research Resources & Collaboration in Integrated Health Care Systems
Major Goal: To enhance the ability to conduct impactful, relevant cancer research in integrated health care systems that provide health care to over 10 million members.
Role: CRN Scholar

Grant #: U48 DP001911 (Harris)
Dates: March 2013-September 2014
Agency: Centers for Disease Control and Prevention
Title: University of Washington Health Promotion Research Center
Major Goal: HPRC conducts community-based research that promotes the health and well-being of middle-aged and older adults, particularly those with lower incomes and in ethnic/cultural minority populations that experience health disparities.
Role: Co-Investigator

Grant #: 1R01HL098425-01 (Kerr)
Dates: April 2010-December 2014
Agency: National Institutes of Health, National Heart, Lung and Blood Institute
Title: Multilevel Intervention for Physical Activity in Retirement Communities
Goal: To compare the outcomes of a physical activity intervention including built environment and advocacy components to a non-active comparison group among older adults living in retirement facilities.
Role: Consultant

Grant #: SIP13-070 (Belza)
Dates: October 2013-September 2014
Agency: Centers for Disease Control and Prevention

Title: Development of an Evidence Informed Mall Walking Program Resource Guide
Goal: Evaluate mall walking programs and conduct literature searches to inform best practices resource guide.
Role: Consultant

Grant #: none (Newton)
Dates: 6/1/2013-5/31/2016
Agency: Washington State Attorney General's Office
Title: Integrating Diabetes Self-Management Support and Primary Care—A Pathway to Statewide Dissemination
Goal: To expand the capacity of health clinics and community organizations to offer Diabetes Self-Management Program Workshops and spread resources for patients and clinics to assist in self-management of Diabetes.
Role: Co-Investigator

Past Research Support

Grant #: none (Rosenberg)
Dates: January 2012-December 2012
Agency: Group Health Research Institute
Title: Understanding Physical Activity Program Utilization Among Medicare Beneficiaries at Group Health
Goal: To compare characteristics of users and non-users of the EnhanceFitness and Silver Sneakers physical activity programs and conduct formative research on the benefits and barriers to use.
Role: Investigator

Grant #: U48DP001911 (Rosenberg, Belza)
Dates: October 2010-September 2011
Agency: University of Washington Health Promotion Research Center (a CDC-funded Prevention Research Center)
Title: Modifying the Neighborhood Environment Walkability Scale for Older Adults with Mobility Disabilities
Goal: To develop a measure of perceptions of the built environment for use among adults aging with mobility impairments. In-depth home based interviews utilizing information from Global Positioning Systems devices, will be conducted.
Role: Co-Principal Investigator

Grant #: F31HL090071-0 (Rosenberg)
Dates: September 2007- August 2009
Agency: National Institutes of Health, National Heart, Lung and Blood Institute
Title: A Multilevel Walking Intervention for Sedentary Assisted-Living Seniors
Goal: To compare the outcomes of a walking intervention that includes built environment components to a standard walking intervention among older adults living in retirement facilities.
Role: Investigator

NIH Loan Repayment Program
