

Aruna Kamineni

1730 Minor Ave., Ste 1600
Seattle, Washington 98101

phone: 206-287-2922
e-mail: kamineni.a@ghc.org

Education:

- 2010 PhD, Epidemiology, University of Washington, Seattle, Washington
- 1997 MPH, Epidemiology, University of Washington, Seattle, Washington
- 1993 BS, Molecular Biology, California State University, Sacramento, California

Professional and Research Positions:

- 2009 – present Research Associate II, Group Health Research Institute, Seattle, Washington
- 2004 – 2009 Research Scientist 4, Collaborative Health Studies Coordinating Center,
University of Washington, Seattle, Washington
- 1997 – 2003 Research Assistant, Fred Hutchinson Cancer Research Center, Seattle,
Washington
- 1996 – 1997 Graduate Intern, Division of Alcoholism and Substance Abuse Services, Seattle-
King County Department of Public Health, Seattle, Washington
- 1995 – 1996 Research Assistant, Arteriosclerosis Family Studies Unit, University of
Washington, Seattle, Washington
- 1993 – 1995 Research Associate, Santa Cruz Biotechnology, Inc., Santa Cruz, California
- 1992 – 1993 Laboratory Assistant II, Division of Hematology and Oncology, University of
California, Davis Medical Center, Sacramento, California

Teaching Positions:

- 1998 – 2000 Teaching Assistant, Introduction to Epidemiology, Extended MPH Degree
Program, University of Washington, Seattle, Washington
- 1997 – 1999 Teaching Assistant, Applications of Epidemiologic Methods, Department of
Epidemiology, University of Washington, Seattle, Washington
- 1998 Teaching Assistant, Descriptive Data Analysis and Interpretation, Graduate
Certificate Program, Department of Health Services, University of Washington,
Seattle, Washington
- 1997 – 1999 Teaching Assistant, Introduction to Epidemiology and Biostatistics, Graduate
Certificate Program, Department of Health Services, University of Washington,
Seattle, Washington

Aruna Kamineni

Honors and Awards:

2011	Early Career Investigator Award, HMO Research Network
2011	American Society of Preventive Oncology, among the 14 highest scoring abstracts at 35 th Annual Meeting
1999	Outstanding Teaching Assistant, School of Public Health and Community Medicine, University of Washington, Seattle, Washington
1996 – 1997	Kellogg Public Health Fellowship for Students of Color
1995 – 1996	Cancer Epidemiology and Biostatistics Training Grant, National Cancer Institute
1993	Graduation <i>cum laude</i> , California State University, Sacramento, California

Professional Activities:

Membership

2011 – present	Academy Health
2010 – present	American Society for Preventive Oncology
1999 – present	Society for Epidemiologic Research

Referee

2011 – present	Ad hoc reviewer, American Journal of Epidemiology
----------------	---

Service

2007 – present	Member, Ancillary Studies Committee, The Multi-Ethnic Study of Atherosclerosis
1997 – 1998	Senator, Graduate and Professional Student Senate, University of Washington, Seattle, Washington
1996 – 1997	Student Representative, Department of Epidemiology, University of Washington, Seattle, Washington
